

Critical Mass

www.criticalmasslondon.org.uk

Friday 28th May
6Pm Under
Waterloo Bridge,
Southbank, London

At the End of every month cyclists all around the world celebrate the bike, and protest against car culture. Come along for a cycle around London. Bring anything with wheels and no engine - Also think: whistles, sounds, horns and laughter. lets show we can get around this city without funding oil wars and destroying our Planet!

Every Last Friday Of The Month!
